

## **EDIsecure® DCP 350 Direct Card Printer**

### **A HIGH-PERFORMANCE, SINGLE- AND/OR DOUBLE-SIDE PRINTER FOR YOUR GROWING NEEDS**

- Single- and/or Double-side printed cards in brilliant color with crisp, sharp graphics
- Complete modularity due to upgradable options
- Competitive printing performance with a wide ribbon selection
- Convenient, automatic front card loading and output
- User-friendly design for easy operation and maintenance
- Advanced cleaning roller system
- LCD display with 2 LED buttons
- The perfect solution for all kinds of applications whether a photo is printed or not

The very competitive single- and /or double-side, edge-to-edge *EDIsecure®* DCP 350 Direct Card Printer is the perfect solution for all kinds of applications whether a photo is printed or not. With its attractive design and sturdy construction, the *EDIsecure®* DCP 350 produces high quality, professional looking ID cards and fits perfectly on any desk.

The *EDIsecure®* DCP 350 operator-friendly design has a front-facing card feeder and output hopper plus reloadable ribbon cartridges for easy handling of supplies. The *EDIsecure®* DCP 350 offers a great variety of encoding options such as contact chip, contactless chip and magnetic stripe, and is available with an Ethernet interface. With its modular assembly, the standard single-side printer can be easily upgraded to a dual-side printer at any time.

Your initial investment is well protected by its compact yet modular design and variety of available options, which eliminates the need to purchase a new system every time your printing requirements change.

**THERE IS ONE FOR EVERYBODY**
